Ref.: AGM Contract related to Piombino's plant maintenance global service

Dear Sirs,

We are pleased to inform you that Cestaro Rossi, through its subsidiary company Tec Service, has been awarded the above mentioned Contract, concerning mechanical, electrical, instrumental maintenance, industrial cleaning, insulation, painting and scaffolding, activities on medium-voltage and high-voltage systems, as well as interface and data processing on our information system (SAP). The contract annual turnover, expiring on 31/12/2017, is estimated at about EUR 3,500,000.00, and includes coordination of about 40 medium operating units up to a peak of 70.

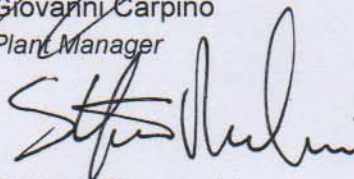

We acknowledge that the company Tec Service (Cestaro Rossi Group), our exclusive partner for these activities, has always proved the highest reliability. The works, in fact, have always been carried out following "the best practice performance" and in compliance with all applicable quality and safety standards.

While expressing once more our appreciation for the quality and services you provided to ArcelorMittal, we hope to continue our ongoing relationship in times to come.

Yours sincerely,

Giovanni Carpino  
Plant Manager

Stefano Pisaneschi
